Attorneys' briefcases and papers being introduced into the Satellite Camp (SCP) will be hand searched for contraband. The use of cameras or recording equipment without the written consent of the Warden is prohibited.

All attorney visits for the USP and SCP will be scheduled through the appropriate Unit Team and monitored by Unit Staff. The attorney and his/her client will be afforded privacy in the attorney room located inside the USP Visiting Room. At the SCP, all attorney visits will be afforded privacy in the Camp Conference Room during visitation hours. On non-visiting days all attorney visits will be conducted in the SCP Visiting Room. USP attorney visits scheduled during normal visiting will be monitored by the Visiting Room staff, and visits scheduled during non-visiting hours will ordinarily be supervised by Unit Management staff.

If the attorney rooms are in use, the attorney is to be offered the opportunity to reschedule the visit when a more private area is available. If it becomes necessary for the inmate to bring pertinent legal material into the Visiting Room, Unit Staff will bring the materials into the Visiting Room.

- d. Authorized Visitors:
 - (1) USP: Upon arrival, each inmate may complete and submit to their Unit Team, a List of Requested Visitors (Attachment A), for members of their immediate family. Immediate family members will be allowed to visit for thirty (30) days

pending the outcome of their background investigation to determine their criminal history. A finalized list will be prepared and forwarded to the Visiting Room and entered into the Web Visiting Program by unit staff, following this investigation of the visitors. Unit staff will maintain hard copies in the inmate's Central File and the Visiting Room file cabinet.

Visitors who are not immediate family members must submit a new Visitor Information Form, allowing a new background check, if the background check on file is over one (1) year old. These individuals will not be considered for approval until a new form has been received and the background check has been updated.

- (2) SCP: Upon arrival, each inmate may complete and submit to their Unit Team, a List of Requested Visitors, for members of their immediate family. Immediate family members will be allowed to visit. During Admissions and Orientation, each inmate will complete and submit to their Unit Team, a List of Requested Visitors, for immediate family members. A background investigation will be conducted on these visitors. A finalized list will be prepared and forwarded to the Visiting Room and entered into the Web Visiting program by unit staff, following this investigation of the visitors. Unit staff will maintain a hard copy in the inmate's central file. The Unit Staff will coordinate with the Visiting Room Staff to ensure that a hard copy is maintained in the Visiting Room file.

Visitors who are not immediate family members must submit a new Visitor Information Form, allowing a new background check, if the background check on file is over one (1) year old. These individuals will not be considered for approval until a new form has been received and the background check has been updated.

- (a) Once an inmate's visitors are approved, he will be given a copy of the appropriate visiting regulations along with the list of approved visitors. It is the responsibility of the inmate to notify the visitors of approval/disapproval and to inform the visitors of the visiting guidelines.
 - (b) Visitors with prior criminal convictions must be approved by the Warden in writing prior to being allowed to visit.
- (3) Procedures for approving exceptions to the prior relationship requirements:

- (a) Unit Counselors will require background information from all potential visitors who are not members of the inmate's immediate family, before placing them on the inmate's approved visiting list. When little or no information is available on the inmate's potential visitor, visiting maybe denied, pending receipt and review of necessary information, including information which is available about the inmate and/or the inmate's offense, including alleged offenses.
 - (b) The Visitor Information Form (BP-629) will be used to request background information and obtain the visitor's consent to release information. This form will be filed in section 2 of the Privacy Folder in the Inmate Central File.
 - (c) USP Hazelton will require background information on potential visitors who are not immediate family members. The Warden, or his designee, may make an exception to this procedure when warranted.
 - (d) Ordinarily, a visitor not meeting prior relationship requirements will be denied. However, under special circumstances the inmate can request a waiver through the Unit Counselor. The Warden, or his designee, will be the final approving authority. A copy of this approval will be forwarded to SIS.
- (4) Procedures for disapproving proposed visitors: If the background information reveals that visitation privileges for the individual would present security concerns or disrupt the orderly running of the institution, the Warden may deny visiting privileges. Documentation reflecting this decision should be maintained in section 2 of the Privacy Folder in the Inmate Central File.
- e. Metal Detector/Drug Detector/X-ray Machines: All visitors entering the institution are required to pass through the metal detector located in the Front Lobby. All visitors are subject to random drug screening by use of the ION Scan Drug Detector. All visitors' jackets will be scanned through the X-ray machine located in the Front Lobby at the USP. Any visitor refusing to submit to this procedure or who fails to pass the metal detector and/or drug detector will be denied access into the institution. The Operations Lieutenant will be contacted and it is the

responsibility of the Operations Lieutenant to inform the visitor that he or she will not be allowed in the institution. The Front Lobby Officer will generate a memorandum and submit it to SIS concerning any drug testing failure and attach the testing information from the ION Scan.

- f. Visiting Schedule for the USP and the SCP: Visits are regularly scheduled from 8:00 a.m. to 3:00 p.m., on Saturday, Sunday and federal holidays; and from 4:30 p.m. to 8:30 p.m., on Friday. Each inmate will receive twelve (12) visiting points per month. Visits conducted for Special Housing Unit (SHU) inmates will be completed one half hour prior to general population visits. Visiting points will be charged as follows:

Two (2) points per day - Saturdays, Sundays and federal holidays.
One (1) point per day - Fridays

The maximum number of visitors an inmate may have at one time is six, including children. A maximum of four adult visitors will be allowed in at any one time. Children age of 16 and above will be counted as one adult visitor. Specific local visiting guidelines have been established for USP/SCP Hazelton and are contained in Attachment B, Visiting Regulations.

- g. Visiting Files: Binders containing hard copies of the inmates' visiting lists, will be available to the Front Lobby Officer. Each Unit Team will ensure the binder for their respective unit is kept up to date. At the conclusion of visiting, these binders will be secured. At no time will staff allow inmates or visitors to view any visiting file.
- h. Searches: All inmates entering the SCP Visiting Room will be pat searched and screened with a metal detector before entering the Visiting Room. All inmates housed in SHU receiving visits will be given a visual search in SHU prior to entering the Visiting Room. All USP inmates will be visually searched prior to entering the Visiting Room with the exception of SHU inmates. All SHU inmates will be pat searched before departing the Visiting Room and visually searched on return to SHU, to include a new issue of clothing. - i. Food: Visitors are not permitted to bring food items into the institution. There are vending machines in the Visiting Rooms for use by the visitors. It is not permissible for inmates to accompany their visitors to the vending machine area of the Visiting Room. Inmates and visitors are not permitted to remove any vending items from the Visiting Room. Inmates are not permitted to handle any currency while in the Visiting Room.
- j. Restrooms: Mens and Ladies restrooms are provided for visitors. Inmates will utilize the facilities located in the visual search room; and all inmates will be pat searched prior to, and at the completion of, using the facilities. Inmates will be under constant supervision by the escorting staff while using the facilities.
- k. Inmate Identification: Staff will make positive identification of inmates arriving at the Visiting Room for visits, utilizing the inmate's identification card or a picture card from Control if their identification card is lost or stolen. Staff will keep the inmate's identification card until the visit is complete, to positively identify the inmate prior to the inmate returning to the compound.
- l. SHU Inmates: Inmates housed in SHU will receive no-contact visitation. These inmates have displayed behaviors which pose a threat to the secure and orderly running of the institution. Such reasons being assaultive behavior, protective custody (verified and unverified) and other actions which warrant placement in SHU. These inmates will visit in the No-Contact Visitation Rooms located in the Visiting Area. Each inmate will be allowed two visitors due to limited space in this area. The point system will still be in effect. Visits will be limited to 30 minutes, once the inmate is placed in the no-contact visiting area.
- m. Inmate Property allowed in the Visiting Room: Inmates will not take any property to a visit except one comb, one handkerchief, one plain wedding band, one plain neck chain with a religious medallion, prescription glasses (no sunglasses unless medically approved), commissary card, authorized headgear, and photo tickets. Watches are not allowed. If an inmate has property in his possession which is not authorized to be taken into the Visiting Room, the inmate will be instructed to return to his unit and secure the property before he is authorized to enter the Visiting Room. Items not authorized upon the inmate's departure will be considered contraband and confiscated. No item other than exchanged clothing, will be stored in the search area.

- n. Proper Dress and Grooming for Inmates in the Visiting Room: Inmates at the SCP/USP are required to wear institution issued clothing (issued pants and shirts at the SCP/USP and Visiting Room issued black, canvas shoes at the USP, or the assigned jump suits for inmates housed in SHU), during visitation. Institutional clothing must be neat and clean in appearance. Shirts will be tucked into the trouser waistband at all times. Approved religious headgear (such as a Yarmulke), may be worn in the Visiting Room. All religious headgear will be inspected prior to, and at the completion of the visit. Visits will not be permitted for those who are not properly groomed. Proper grooming requires that hair is neat and clean.
- o. Proper Dress for Visitors in the Visiting Room: Inmates are responsible for informing prospective visitors that dress should be within the bounds of good taste and should not possibly offend others who may be present in the Visiting Room. Visitors wearing sheer clothing will not be admitted into the institution. Halter tops, sleeveless tops/dresses, shorts, miniskirts, culottes, and spandex will not be allowed. Dresses (above the knee), blouses or other apparel of a suggestive nature (i.e., low-cut v-neck, tank tops, or any garment that reveals the mid-section), will not be allowed. Due to inmates wearing similar clothing, jogging and/or sweatsuits will not be permitted to enter the institution. Sweatshirts/pants, jogging outfits (pants or jackets), are not allowed to be worn in conjunction with regular civilian style clothing if similar to inmate clothing. Any other clothing which, at the direction of the Shift Lieutenant or Institutional Duty Officer (IDO), resembles the style or color of inmate clothing (i.e., khaki colored clothing), will not be allowed to be worn into the institution. At the discretion of the Operations Lieutenant or IDO, children under the age of twelve (12) will be allowed to wear shorts. No bare feet will be permitted (excluding babies).
- p. Institutional Activities: Visiting is a positive activity for inmates and visiting will normally take precedence over other institutional activities. In the event of an institution emergency, inmate visits may be terminated or limited at the discretion of the Warden.
- q. Prisoner Visitation and Support: The Prisoner Visitation and Support Program (PVS) is a valuable volunteer program. The focus of PVS has always been to visit and provide moral support to inmates who do not ordinarily receive visits from family and friends. Through this program, inmates who are otherwise alienated from the community have the opportunity to develop healthy relationships and benefit from interaction with the PVS

volunteers. Volunteers at Hazelton are allowed to carry paper and writing implements into the Visiting Room. They are to be processed at the Front Lobby as Volunteers. Their visits are not to be charged against social visits, but will be conducted during normal visiting hours. They are expected to adhere to the institution dress code and visiting policies.

r. Miscellaneous Visiting Room Regulations:

- (1) No personal keys or electronic devices will be allowed into the Visiting Room. Electronic devices will include the following: beepers, cellular phones, car alarm remote or any remote operating device. Lockers will be available to visitors for the storage of personal items.
- (2) Papers, packages, money orders, and/or gifts are not to be allowed into, or exchanged in, the Visiting Room.
- (3) All visiting areas are "No Smoking Areas." No tobacco products of any type are allowed in the visiting areas.
- (4) Visitors are responsible for their children while in the Visiting Room. The inmate will be warned if their children misbehave. If the children continue to misbehave, the visit may be terminated by the Operations Lieutenant or IDO.

s. Limited Visiting Space: In the event the Visiting Room becomes overcrowded, it may be necessary to limit the length of visits or the number of visitors. The decision to limit the duration of a visit will be made by the Operations Lieutenant or IDO. The visits of local and/or frequent visitors will be terminated first.

t. Terminating Visitors: The Operations Lieutenant or IDO also has the prerogative of terminating visits for reasons of improper conduct on the part of the inmate or his visitor(s). The right to have future visits may be denied as part of an administrative action for any visitor who attempts to circumvent or evade institutional regulations. In situations where visits are terminated or have been denied, the visitor(s) will immediately depart the institutional grounds by way of taxi, personal vehicle, or other means of transportation. Under no circumstances, will the visitor be allowed to remain on the institutional grounds.

u. Unauthorized Visitors: On occasion, individuals come to the institution to visit an inmate without prior approval or notification to staff. The requested visit will normally be denied. In cases where there are extenuating circumstances and

Unit Staff are not available, the Operations Lieutenant will be contacted to render the final decision. When this occurs, the Operations Lieutenant or IDO will notify the inmate of the decision.

v. Special Visits: Special visits may be permitted under the following circumstances:

- (1) Family emergencies
- (2) Special social visits for members of the inmate's immediate family not on the approved visiting list may be authorized by the assigned Unit Manager, Camp Administrator and/or Associate Warden. In addition, this is to be routed through SIS as part of the approval process.
- (3) Pre-release planning interviews
- (4) Business/court-appointed investigation/ interpreters
- (5) Consulate Representatives
- (6) Minister of Record - An inmate wanting to receive visits from his minister of record must submit a written request to the Chaplain. Upon approval, unit staff will add the visitor to the inmate's visiting list. An inmate may only have one minister of record on his visiting list at a time. The addition will not count against the total number of authorized regular visits an inmate is allowed. Inmates will be allowed two minister of record visits per month.
- (7) Clergy - Visits from clergy (other than the minister of record) will be in accordance with the general visitor procedures, and will count against the total number of regular visits allowed. Ordinarily, clergy visits will not be accommodated unless requested by the inmate. However, the Chaplain may approve a visitation request initiated by the clergy if the inmate wishes to visit with the clergy.

Clergy/minister of record visits will be accommodated in the Visiting Room during regularly scheduled visiting hours, and to the extent practicable, in an area of the Visiting Room which provides a degree of separation from other visitors. If a private area is not available, the visit may be rescheduled.

NOTE: It will be the responsibility of Unit Team to coordinate, gain final approval, arrange and provide for security/supervision of all special visits. All special

visits will be routed through SIS as part of the approval process.

- w. Notification to Visitors: Staff shall make available to all visitors, written guidelines for visiting the institution. Staff shall have the visitor sign a statement acknowledging that the guidelines were provided and declaring that the visitor does not have any article in his/her possession which the visitor knows to be a threat to the security of the institution. Staff may deny the visiting privilege to a visitor who refuses to make such a declaration. Visiting Room staff are to make the institution's written guidelines for visiting available to visitors. Written guidelines are attached to inmate visitation request forms, sent to potential visitors. Additionally, rules are posted in the Visiting Room.
- x. Exit Procedures: Upon the completion of visiting, an announcement will be made to the effect of, "Visiting is now over, inmates and visitors will be separated. Visitors please move to the north wall of the Visiting Room and inmates proceed to the south wall of the Visiting Room."

Staff will then conduct a count and visually identify each inmate using the inmate commissary picture cards. Once all inmates are accounted for, staff will start releasing visitors. Visitors will be properly identified by using their photo identification card which is attached to their (BP-S224.002), Notification to Visitor form. Visiting Staff will also check the hand stamp under the ultraviolet light, which is located by the Visiting Room door. Visitors will be escorted to the Front Entrance sallyport. Visitors will be released in groups of no more than six at a time. Once inside the sallyport, visitor photo identification card and the hand stamp is again verified by the Control Room Officer before the visitor are allowed to exit through the Front Lobby sallyport. Once all visitors have been cleared from the Visiting Room, the inmates will line up at the visual search room door for processing out of the Visiting Room.

The same procedures will be followed at the Camp with minor changes. The ultraviolet light is not used, and visitors at the Camp are not required to be escorted out.
